

### **CHRISTMAS AROMA**

Combine orange peel and lemon peel in three cups of water. Add spice packet and simmer on low heat to fill your home with holiday fragrance. Continue to add water as it evaporates and enjoy for weeks to come!

## **JOY TO THE WORLD!**

Many ornaments cover our tree

Some new, some glittery, and some shiny

This ornament is simple and small,

But it is the most important of all.

Hang baby Jesus under your star at the top of your tree

To always remember to rejoice in our King of Kings and Prince of Peace.
